

And in the end is freedom...

God will wipe away all the tears.

And heal our lives from hurtful years.

Life is not easy, there is pain.

The promise, it isn't easy, but in the end is gain.

We live facing challenges and difficulties hard.

Sometimes life is broken, life is marred.

We do our best to press on to the end.

Putting one step forward knowing Jesus, our friend.

I know you hurt, I know there is pain.

It's a cruel life test but you'll find life again.

It's a race to the finish line, hang on and win.

Tell the truth always for in truth there is healing of sin.

When in doubt of God's favor just know it is in His time.

And all his blessings now become mine.

Just know life is living through all the mess.

And in due time we will all pass this test.

So hold on tight for Jesus does care.

I know life is not always easy nor is it fair.

I once heard God say it's worth the while.

And in the end God wipes the tears replacing them with a smile.

Amen...
