

Sometimes God doesn't Answer our Prayers the way we like...

When things don't go your way.

And sometimes you need a higher pay.

Your whole world may be crashing round.

You search for something that can't be found.

You seek what you need high and low.

And God seems to hesitate why so slow.

The enemy creeps in and tries to make God a liar.

Nothing can fill the things you desire.

Does God seem to be at war with you?

Cancelling your efforts and things you do.

You think to yourself what have I done.

I assure you, you are not the only one.

Life does not always bless nor is it fare.

But I am one to tell you God does care.

We don't always understand life can be a maze.

Leaving you stranded without clue for days.

When times seem hard, so hard to bare.

God will hear from heaven and answer your prayer.

I have gone through this but I assure you God is just.

God allows hardships but in him you can always trust.

God is love and he loves you still.

His love is not found in a bottle a needle or a pill.

His love is real though it may seem late.

In the end God silences the lies and Satan who stirred all the hate...
