Add these up one by one and you get a score that points to the fact that Barrack Hussein Obama is determined to turn America into a Marxist-Socialist society. All of the items in the preceding paragraphs have been put into place. All can be documented very easily. Before you disavow this do an Internet search. The last paragraph alone is not yet cast in stone. You and I will write that paragraph.

Will it read as above or will it be a happier ending for most of America?

Don't just belittle the opposition. Search for the truth. We all need to pull together or watch the demise of a free democratic society. we need to seek the truth and take action for it will keep us FREE. Our biggest enemy is not China, Russia, North Korea or Iran. Our biggest enemy is our complacent selves. The government will not help, so we need to do it ourselves.

Question....will you delete this, or pass it on to others who don't know about Obama's actions and plans for the USA , so that they may know how to vote in November, 2014 and the ensuing years?

It's your decision. I believe it does matter.
